AGREED-UPON PROCEDURES REPORT

Purpose of this Agreed-Upon Procedures Report

Our report is prepared solely for the purpose of assisting management of NGO "MEDIA DEVELOPMENT FOUNDATION" (Organization) in the presentation of the Organization's business results in the special purpose financial statements for the year ended 31 December 2024.

Responsibilities of Engaging Party and the Responsible Party

Management of NGO "MEDIA DEVELOPMENT FOUNDATION" has acknowledged that the agreed-upon procedures are appropriate for the purpose of the engagement.

Management of NGO "MEDIA DEVELOPMENT FOUNDATION" is responsible for the subject matter on which the agreed-upon procedures are performed.

Practitioner's Responsibilities

We have conducted the agreed-upon procedures engagement in accordance with the International Standard on Related Services (ISRS) 4400 (Revised), *Agreed-Upon Procedures Engagements*. An agreed-upon procedures engagement involves performing of the procedures that have been agreed with NGO "MEDIA DEVELOPMENT FOUNDATION" and reporting the findings, which are the factual results of the agreed-upon procedures performed. We make no representation regarding the appropriateness of the agreed-upon procedures. This agreed-upon procedures engagement is not an assurance engagement. Accordingly, we do not express an opinion or an assurance conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported.

Professional Ethics and Quality Control

We have complied with the ethical requirements of the International Code of Ethics for Professional Accountants (including International Independence Standards) of the International Ethics Standards Board. For the purposes of this engagement, there are no independence requirements that we need to comply with. Our firm applies International Standard on Quality Management 1 (Previously International Standard on Quality Control 1) "Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements", and accordingly, maintains a comprehensive system of quality management including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Procedures and Findings

We have performed the procedures described below, which were agreed upon with the management of NGO "MEDIA DEVELOPMENT FOUNDATION" under the terms of the engagement dated 03.04.2025 ("the Agreement") and 03.04.2025 ("the Engagement letter" on "the Agreed-Upon Procedures"), to present the results of the Organization's business activities in the special purpose financial statements.

No	Procedures	Conclusions
1.	Verify the indicators of the Organization's financial statements, including the balance sheet as of 31 December 2024, the statement of financial results, and the special cash flow statement for the year ended on that date, for their compliance with the accounting data.	<p>Our procedures for verifying the indicators of the Organization's financial statements included, but were not limited to, the following:</p> <ul style="list-style-type: none"> - Testing areas for the presence of atypical entries. - Verification of primary documents in terms of accounting for fixed assets, inventories, receivables and payables, cash and their equivalents, settlements with the budget, insurance and payroll settlements, other liabilities, target financing, other income and expenses. - Analytical recalculation of depreciation and verification of useful lives of assets. - Verification of display of transactions in the correct reporting period. - Verification of the correctness of accounting for inventories at the lower of two values: cost or net realizable value. - Verification of the correctness of write-offs of inventories

Nº	Procedures	Conclusions
		<p>using the FIFO method.</p> <ul style="list-style-type: none"> - Analysis and verification of contracts and compliance with contractual terms with debtors and creditors. - Verification of commissions paid in accounting database to bank statement data. - Verification of the correctness of the conversion of the currency balance as of 31 December 2024 into UAH. - Reconciliation of paid personal income tax, military tax and social security tax to the taxpayer's electronic account data. Reconciliation of accrued personal income tax, military tax and social security tax to declaration data. - Verification of the validity of personal income tax, military tax and social security tax accruals and the correctness of the reflection of transactions in the correct reporting period. - Analysis of the terms of employment contracts with employees and their compliance. - Analysis of bank statements for the payment of salaries and reconciliation to accounting data to confirm the correctness and completeness of payments made to employees. - Verification of accounting entries for 2024 for the accrual of deferred income and verification of the attribution of recognized deferred income to other income during 2024. - Verification of recognized income and expenses from the purchase and sale of currency. - Verification of the applied exchange rate at the date of the transaction and recognized income and expenses from the exchange rate difference. - Verification of the correctness of filling in the indicators in the statements of financial position and financial results as of 31 December 2024 and the year ended on the specified date. <p>Based on the results of the procedures and tests performed, there are no comments. We did not find any misstatements in the calculations and presentation of data in the financial statements of the Organization.</p>
2.	<p>On a sample basis, perform procedures to verify cash receipts to confirm that:</p> <ul style="list-style-type: none"> • Receipts are received by and relate to the Organization. • Receipts are provided for in contracts with donors. • Receipts are reflected in the accounting system. • Receipts are received during the reporting period (from 1 January 2024 to 31 December 2024). • Receipts are classified correctly by items and disclosures of the special cash flow statement. 	<p>Our procedures to verify the presence of cash receipts in the Organization's special cash flow report included, but were not limited to, the following:</p> <ul style="list-style-type: none"> - Reconciliation of cash flow data from the accounting database to bank statement data. - Receiving and reviewing contracts with donors on a sample basis, reconciling the received tranche amounts to the contractual terms. - Checking the correctness of the accounting entries made in terms of the receipt of funds to the Organization's accounts. - Classification of cash receipts by month, by donor, by currency. - Reconciliation of data classifications in the Organization's special cash flow statement to our classifications (by month, by donor, by currency). <p>As a result of the procedures performed, we did not find any misstatements in the presented data on receipts in the special cash flow report.</p>
3.	On a sample basis, perform procedures to verify cash expenditures to confirm that:	Our procedures for verifying cash expenditures in the Organization's special cash flow report included, but were not

Nº	Procedures	Conclusions
	<ul style="list-style-type: none"> • Expenditures are incurred by and related to the Organization. • Expenditures are reflected in the accounting system. • Expenditures are incurred during the reporting period (from 1 January 2024 to 31 December 2024). • Expenditures are correctly classified by items and disclosures of the special cash flow statement. • Expenditures correspond to the purpose specified in contracts with donors. • Expenditures can be identified and verified. 	<p>limited to, the following:</p> <ul style="list-style-type: none"> - Reconciliation of cash flow data from the accounting database to bank statement data. - Obtaining and reviewing contracts with donors on a sample basis, checking that expenditures comply with contractual terms. - Verifying the correctness of accounting entries made in terms of expenditures from the Organization's accounts. - Confirming the existence of expenditures by comparing payments made with primary documents. - Classification of cash expenditures by month, by donor and direction. - Reconciliation of data classifications in the Organization's special cash flow statement to our classifications (by month, by donor, by direction). <p>As a result of the procedures performed, we did not find any misstatements in the presented data on expenditures in the special cash flow report.</p>

In addition to the description of the results in our Report on agreed-upon procedures, we provide financial statements and special cash flow statement, which were subject to verification. They are listed in Annexes 1, 2, 3 to this Report.
